焕新自我，始于《大学》。唯有彻底更新我们旧有的视、听、言、动这一内在系统，
才算得上真正的改变。自身焕然一新，方能感召周遭，共赴革新。

Self-renewal starts with *The Great Learning*. Only when we thoroughly update our inner system—how we see, listen, speak, and act—can we achieve genuine transformation. It is by first renewing ourselves that we become capable of inspiring renewal in those around us.
